

DIAMOND STRIMMER LINE

High quality Nylon Strimmer Line.

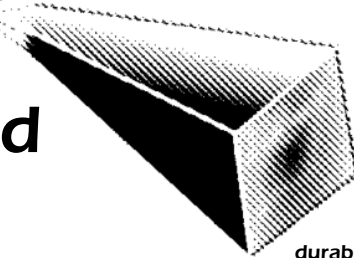

Commercial grade co-polymer line formulated for the most demanding professional.

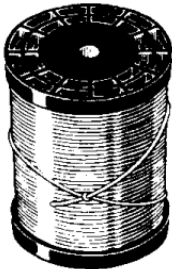

Diamond Edge™

- 20-30% more rigidity (Diamond Shape)
- Greater momentum for more impact at the cutting speed (10% more mass in the line length)
- Diamond designed cutting edges for improved cutting performance
- Premium co-polymer formula for excellent wear, durability and cutting performance.

Diamond Edge™

| Diameter Round Equivalent () | | Weight | Approximate Length (Metres) | Part No | Price Each £ |
|----------------------------------|---------|--------|-----------------------------|---------|--------------|
| 2.4mm | (2.7mm) | 1kg | 85m Blister Pack | GL0439 | 8.20 |
| | | 2kg | 335m Spool | GL0440 | 26.25 |
| 2.7mm | (2.9mm) | 1kg | 78m Blister Pack | GL0441 | 8.20 |
| | | 2kg | 275m Spool | GL0442 | 26.25 |
| 3.3mm | (3.5mm) | 1kg | 45m Blister Pack | GL0443 | 8.20 |
| | | 2kg | 180m Spool | GL0445 | 26.25 |

ROUND STRIMMER LINE

High quality Nylon Strimmer Line.

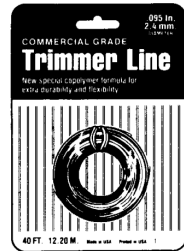

Commercial grade co-polymer line formulated for the most demanding professional.

Trail Blazer™

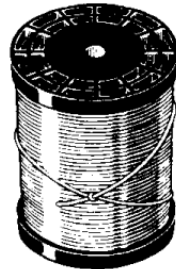

- Superior wear - formulated using high quality co-polymers for maximum life.
- Engineered to give the greatest impact resistant line available.
- Split resistant- processed to reduce splitting
- Anti-weld - designed to provide weld resistant service.
- Not to be confused with inferior, cheaper, products.
